Submit to the Newsletter

The MNS newsletter is published on **Wednesday of each week**. News can be submitted until 5pm ADT on Monday for that week's newsletter.

Basic Training

Music Nova Scotia has created a Basic Training program to help artists and aspiring music industry professionals develop and continue to grow their skills and knowledge. Applicants to Music Nova Scotia's investment programs are required to complete Basic Training sessions in order to be eligible to apply to our investment programs.

All previous applicants will be eligible to continue to apply at their current level (Artist Development, Artist Development II, and Export Ready). However, all first time applicants and all artists wishing to move up levels will be required to complete a corresponding number of Basic Training sessions.

The session requirements per investment level are as follows:

Artist Development: 2 sessions

Artist Development II: 5 sessions

Export Ready: 8 sessions

Please note: It is mandatory for all first time NSMW showcasing artists to attend the Conference & Showcasing session prior to NSMW 2021.

Health Insurance

Music Nova Scotia, in partnership with Theriault Financial Inc., (Employee Benefit Specialists) have put together a wonderful health plan for members only through Manulife Financial.
